i have no clue,  
Any songs by this artist,  
She sounds really bad,  
Sorry if she is not,  
But i think that she is

Terra is a odd person,  
SHe has no life,  
She makes up songs by other artists,  
And she should go to h\*ll,

This person is horrible,  
She kicks dogs and cats too,  
If she got a gun,  
She would kill you as well,

Terra is a odd person,  
SHe has no life,  
She makes up songs by other artists,  
And she should go to H\*ll

OK i know this is not a real song,  
BUt maybe it will pass,  
I will check back soon,  
and if its not there i'll kick your @\$\$!!!
