Me just wanna say hail to Haile Selassie
His own divine majesty
Emperor Haile Selassie I the first
Babylon you see, when those youths come about

You know, it's just redder fire
Yeh man, we send enough stories to Babylon
Prime Minister give us repatriation
Remember this

Nothing inna Babylon nah work
Watch the inequity have to get up and spurt
Not even a wicked man can serve
Rome catch a fire 'cause deh Vatican thirst

Nothing inna Babylon can work
Things get lock off and them a dead fi pure thirst
Not even a wicked man can serve
Yow, desolation to the earth

Well, nuh bother tell me 'bout mi nuh fi vanky
Babylon gu hush up your mouth, you're too cranky

Everything fi Babylon, Sizzla deh vanky

Well, from you rude mamma sey, she deh go spanky
Brain them a use 'bout a Christ ride the donkey
Who them a fool 'bout sey, black man a monkey
