Honorable Marcus Garvey  
So much love  
That's all I come to give Emperor Selassie  
Show dem love  
And yet still dem nuh waan live so

Babylon gi dem a toy  
See it deh inna dem hand?  
Dem turn cowboy  
Babylon seh destroy  
Seh anytime now a pah-pah-poy oyy oyy

Babylon gi dem a toy  
See it deh inna dem hand?  
Dem turn cowboy  
Babylon gi dem a toy  
Anytime now a black a die, cho

Dem buss it up with violence  
And nuff a dem kick di bucket  
Selassie run di resident  
So gun man watch it

Rastaman come strong with love inna di district  
Yuh ah muss American with yuh gun pon yuh hip  
Di cowboy dem still ah hype cause Bob him shot di

Unnuh nah no natural cow so yow  
Cowboy guh down  
Done know yuh bow yuh shot yuh bredda with yuh gun  
Fi rights nor justice yuh nah buss it fi none

Well, since a slaughter Selassie come  
Emperor sit down round di biggest machine gun  
Mousselini test and get dead  
Skull turn down

Babylon gi dem a toy  
See it deh inna dem hand?  
Dem turn cowboy

Babylon seh destroy  
Seh anytime now a pah-pah-poy oyy oyy

Some skin bound to peel like scallion  
Some a dem cyaan nyam dem meal comfortable and  
strong  
Diss di Man weh fly di seal, done know yuh wrong  
Rastaman nuh try no deal we nuh fear no wicked man

Shipment come inna drugs so dem a boast  
Yow pon di front dem clap up and all a sport  
Cyaan come 'gainst Jah Jah seed nor goat  
Touch Lion den and we gwine fi buss yuh throat

Yuh nah go ah Africa den a weh yuh a run to?  
Nah na na na nah nuh worry  
Selassie see weh yuh do  
Love and know Emmanuel, yuh never humble  
Drop down a hell and a stress and trouble

Babylon gi dem a toy  
See it deh inna dem hand?  
Dem turn cowboy  
Babylon seh destroy  
Seh anytime now a pah-pah-poy oyy oyy

Dem yah journey yah I never srop trod it as Jah  
Aun shine from above, ayyy  
Those of whom, kick the bucket  
And rob brothers and sisters

I surely love still I have to keep going on  
I know not nothing of skylarking, ayyy  
As long as Jah soil take the corn  
I and I will be ruling, yeah

Babylon gi dem a toy  
See it deh inna dem hand?  
Dem turn cowboy  
Babylon seh destroy  
Seh anytime now a pah-pah-poy oyy oyy
