We are immune to critisms we know not grudge

We face de challenge and harness the power of love

Now I see yu want us to be like the rug

That's where we can be saturated wid all de mud

And if yu nuh right mi say yu caant stay bout ya

Fi yu self and just de power

If you had known your roots you would be in tune

What are we doing it's just true

Life has taught we the very thing we do

It was ordained for me and you
You have lost your way and now you don't have a clue
