Well then

Well the Binghi fire bun all poor and rich
Them neva know say it woulda come down to this

CHORUS

and then brainwash dem pon dem western journey
Babylon give dem ah ride fi they money

Go tell dem revolution ah swing over dem head
Fi all vampire this ya one ya ah yuh peg

You want principle cuz King Selassie ah the head
And Emperor Selassie have the vision and the heads
Me see you and the harlot lie down inna bed
