Love is what I got to give you girl
ha ha ha ha ha ha ha ha

Chorus: I want you baby, i need you lady, and nothing
in this world gonna stop me no way,
I want you baby, I need you lady, and nothing in dis
world gonna stop

1. Girl I want to push on you wit dis ting protruding,
you're acting kinda shy, still I will be intruding, you
know my character my life my sytle thats why dey call
mr rudy, smoking herb, drinking root, girl you get me
moody, all my love an my affection incline, yet we'll
never separate no matter the time or the climate, of the
girls dat i met, oh girl you're the finest, be reminded
woa,

I want you baby, i need you lady, an noone in dis world
gonna stop me no way, i want you baby, i need you
lady, an nothing in dis world gonna stop me

Can't you see i'm the one for you girl, i'm the one the
most high sen ohhh, to take you to africa, black
children ohh, oh yeah, kalonji burn d enemy ohhh, live
an love yeah, no problemo, i'm chillin with mah pretty
girlfreno, whether at home, in the benz or in the limo,
truths and rights rast man come defend ohh, top d
world making money ohh to spend ohh, i'll be in an out
every now an den ohh, girlfren at home say she need
me round again ohhh, yeh yeh yeh, dis cyah end no
ohh

I want you baby, i need you lady, there's nothing in dis
world gonna stop me no way, i want you baby, i need
you lady, there's nothing in dis world gonna stop me no
way, I want you baby, i need you lady, there's nothing
in dis world gonna stop me noway, i want you baby, i
need you baby, oh yeh yeh yeh

Your mines, and i'm yours, with the two of us together
we can, make love so much, i'll keep you clean an pure
and dats for sure, girl we apreechi love, the good
things, and dats all, very good reception, and now, we

getting to know each other girl, thats such good perception, girl stay with me an dont be drawn out, with your misconception ohhhh, sizzla kalonji gonna give you all his good love and affection, where now lovers, once we were friends, beneath the covers our love never end, we share the powers girl, this love get no better, throughout my life i'll be loving you my girlfriend.

I want you baby, i need you lady, theres nothing in dis world gonna stop me no way, i want u baby, i need you lady, theres nothing in dis world gonna stop me no way, i want you baby, i need you lady, theres nothing in dis world gonna stop me no way, i want you baby, i need you, ohh, yeh yeh yeh yeh, ahhh,

Girl ah wanna push on you wit dis ting protruding, youre acting kinda shy, still i will be intruding, you know my character my life my style, dats why dey call me rudy, smokin herb, drinking root, oh girl you get me moody, all my love an affection inclineth, we'll never separate no matter the climate, of all the girls i met oh girl your the finest, ohh be reminded woo

I want you baby, i need you lady, theres nothing in dis world gonna stop me woo, i want u baby, i need you lady,theres gonna stop me
