Good to know that people stand up for their rights
Defend what's yours and teach the children to be nice
Good to know that people stand up for their rights
Catch the place afire...boom!

It's only getting better, it's only getting better
It's only getting better, keep the livity
Uh! it's only getting better, it's only getting better
Trendsetter come with strictly positivity...mmm
It's only getting better, it's only getting better
It's only getting better, clean livity, yow
It's only getting better, it's only getting better
Trendsetter with strictly positivity

Joy in my life, I live much longer
Yow! praise Selassie I, that's why we get so stronger
Yow! all ah de enemy Kalonji come conquer
No need for ignorance, that's why me bu'n de anger
Some ah dem ah raise like Goliath and monster
Conquer dem nuh Rasta 'cause yuh lead up to de
gangster
Woyy! I tell dem so many time love is de answer
Ey! fuh de ghetto youth Kalonji sing the song
here, boom!

It's only getting better, it's only getting better
Only getting better, keep yuh livity, boom
It's only getting better, it's only getting better
Trendsetter come with strictly positivity...Jah!
Only getting better, it's only getting -----
Only getting better, clean livity, whoa!
It's only getting better, Africa only getting better
Africa only getting...whoa-uh-oh!

Kill Babylon and stop kill de innocent
Jah give us this Earth with its riches, and it's sufficient
Be wise! stop gwaan like you no have no sense
Lead de children, ah say fi use yuh conscience
Okay! always complain why is it they can't reach far
Because they keep on killing themselves with dem politics
war
Mih rather chant righteousness and shine as a star

Sizzla Kalonji nah blah-r, because...

It's only getting better, it's only getting better
It's only getting better, keep yuh livity, boom!
It's only getting better, it's only getting better
It's only getting better, fire bu'n! fire bu'n!
It's only getting better, it's only getting better
It's only getting better, cultural livity, woh-whoa
It's only getting better, fire bu'n! it's getting better
Fire bu'n! it's getting...yow it's getting better

Ey! children, I say obey your parents this
'Cause they were once once a child, dem mom and dad
used to care them
No need to scare, no need for you to fear them
From dem talk, just open yuh ears, me say fi hear
them, woy!
Tell dem give us repatriation
I smoke marijuana, it give I de meditation
Ey children: it is good for you to get your education
Whoa-howw, because...

It's only getting better, it's only getting better
It's only getting better, keep yuh livity
It's only getting better, it's only getting better
Trendsetter with positivity
Whoa yeah!
Bu'n dem, fire bu'n dem, rah!
Bu'n dem, fire bu'n dem, rah!

[Rhythm continues, fades]
