Love love love mmmmm yeah  
Unu seet chu  
Love love love mmmm  
To see love amongst my friends to sizzla that is heaven  
None of us can run from the truth  
Oh yes  
To war with who me dwell  
To I man that is hell  
Can't live so fi ghettoyouths  
To see love amongst my friends to sizzla that is heaven  
None of us can run from the truth  
Oh yes  
To war with who me dwell  
To I man that is hell  
Can't live so fi ghettoyouths

I wonder how dem look pon life  
Every day dem get up inna war an stride  
hurting ye brothers and rejoice  
Don't you know sey dem de kind a livity no right  
Fi show the little loving it no hard  
For the things you do you see the reward  
Watch the dirty things and step towards  
How you must mek the devil tek charge

Oh yes  
To see love amongst my friends to sizzla that is heaven  
None of us can run from the truth  
Ohand to see war with whom we dwell  
To I man that is hell

To my surprise what is this I encounter  
One more a me brether just a falter  
Pon the floor to the lead and the copper

Don't mek the wealth get to you  
This is a way life substancial value  
I enjoy it you can enjoy it too  
If ye destroy it who jah a blame but you

To see love amongst my friends to sizzla that is heaven  
None of us can run from the truth

To war with whom we dwell  
To I man that is hell  
Can't live so fi ghettoyouths  
To see love amongst my friends to sizzla that is heaven  
None of us can run from the truth

The presence I see as me go me hail dem eye
