Whoa oh oh oh aye
I and I so strong
I ah Ethiopian, Ethiopian
This comin' from ah distance

CHORUS

Take these words of divine
to the princess right away
Tell her to be fine
I don't want her to stray
Words of divine,
to the empress right away
Tell her to be mine
I don't want her to stray

Knowin your portion, who knows your motion
Joyful will I be in your eyes
Put-a put away pollution, sabbatical strong
Royalty belongs to my side,
let us care for the younger ones
the children our tongue
Nature grows and prove you're qualified
to know and overstand no segregation
That is not the works of the wise

CHORUS

Words of divine
to the princess right away
Tell her to be fine
Never go astray
Words of divine,
to all the woman right away
Put Selassie pun uno mind
Never go astray

Hey
Confuse not your heart with the termoids in live
Oh oh, Oh woman of the isles in strife,
that's what I behold in my sight
You no fi stop hail King Selassie I
Oh what family you fright
Bless her down with faith, take this to her gate,

with love before the falling of the night

CHORUS

These words of divine
to the empress right away
Tell her to be fine
And never go astray
Words of divine,
to my princess right away
Tell her to be fine
I'll be there on the day, hey hey

I see round and about,
I hear the sounds from the mouth
Defiling all the stock upon the shelf
I've been the least, yet me trod fi east
I can only give approve of myself
Me me me see say nuff woman weak
mankind uno no see it
No hurt, if yuh come here come help
The whole of uno come from the heap
rise with the wheat
The ___ of the blackman wealth

CHORUS

Take these words of divine
to the empress right away
Tell her to be fine
I don't want her to stray
Words of divine,
to the woman right away
Tell her to be mine
Never go astray

Knowin your motion, I knows your portion
Joyful will you be in my eyes
Put-a put away pollution, sabbatical strong
Royalty belongs to her side,
let us care for the younger ones
the children our tongue
Nature grows and prove you're qualified
to know yet overstand no segregation
That is not the work of the wise

CHORUS

Words of divine
to the empress right away
to all the woman them right away
Put Selassie pun your mind...
