What does Black people made of made of
African tradition I tell you straight off straight off
So long that they had take us
inna this western hemisphere and couldn't break us
Pharaoh
What does Black people made of made of
Truths and rights I tell you straight off straight off
So long that they had take us
But now Black people better wake up, oy

CHORUS

Burn Nya burn down Babylon place
inna them high and low place

Oh burn Nya burn down Babylon place

Just now they come to realize it, somehow they had
want to criticise
Black people get the worst yet them doh have no rights
Them ah do the dutty work yet you shove aside
Yo me start to burn them turf day and night
Rastaman nah nurse no pharecies nor scribes
Shouldn't dis the warriors pon tha east side
Watch them ___ eh that shell like ah rice
Me nah like them profile neither them voice
