Ah Ah, eya quality
Yea my girl let me take you by your hands
Let me love you the way you want me to

Ey woman you treat me good
matter not what they do we never separate
Woman you give me love
matter not what they say you're always by my place
And I'll never turn us off
I'll be there all the time so let this be your lesson
To give you all the love you want
assist you like a man, never withhold yuh bless
And that's why I love you so
You give me good love and I like that
Hold me tight and never let go
Worth more than gold they couldn't price that

CHORUS

Your mines and only never leave you lonley
let your love surround me
Empress, your mines and only never leave you lonley
let your love surround me
Your mines and only never leave you lonley
let your love surround me
Woman, your mines and only let your love surround me
never leave you lonley

Ooh Yea, that's why I love you so
You give me good love and I like that
Hold me tight and never let go
Worth more than gold they couldn't price that
And that's why I love you so
You bring me youth and I like that
So hold me tight and never let go, ahh

Woman you bring me joy
through the rough and the tough times
So let us not destroy,
the true love that we had found
Where ever that you go,
you receive all the complements girl
And I want for you to know

you're the essence of the presence of this world
All the girls and the boys how they follow us
because of our clean livety that's why the honor us
Propaganda and slander couldn't shadow us whoa oh

CHORUS

Your mines and only never leave you lonley
let your love surround me
Woman, your mines and only never leave you lonley
let your love surround me
Your mines and only never leave you lonley
let your love surround me
Girlfriend, your mines and only never leave you lonley
let your love surround me

I had known you from we were young
Your mama caught me kissing you and began to blaze
And now I've got you in my arms
No one stopin us becuz we all come of age
that's why I love you so
You give me good love and I like that
So hold me tight and never let go
that's why I love you so
woman you give me good love and I like that
hold me tight and never let go, yea yea yeah

With the powers of the most high
I say nothing is impossible, oh
Wipe the tears from you eyes,
He'll remove your obstacles, yea
We're coming from so far
now today look at where we reach
Girl I love you for who you are
You're so beautiful you're so unique

CHORUS

Your mines and only never leave you lonley
let your love surround me
Girl, your mines and only never leave you lonley
let your love surround me
Your mines and only never leave you lonley
let your love surround me
Your mines and only never leave you lonley
