Ey, the one in the throne ah Him rule
In their heart I say they have not jah
Yuh done know say ah dem they are the fool
Hey

Their is no other like Jah be wise
And ah Jah ah guide, some cyar recognize
Wicked heart, must put you down
Burning you with words, power and sound, yeah

Full time, Babylon realize
Sizzla is the element of surprise
And wicked heart, I must put you down
Burning you with words, power and sound

Eh eh, wha dem ah look for, dem nah go see
Something dramatic and extraordinary
Never see I when I clean only when I dirty
Etched by reason of this long journey

I'm someone good from you can be around this, yo
So much time you have to learn to live with it
Higher boundries for who I restrict
Like those who want you fi kick the bucket, check it

No other like Jah be wise
And ah Jah ah guide, some cyar recognize
Wicked heart, must put you down
Burning you with words, power and sound, yeah

Full time, Babylon realize
Every ghetto youth is element of surprise
And wicked heart, I must put you down
Burning you with words, power and sound

Come like Jah moon and some beware
Take my stand always prepare
[Incomprehensible] they stand and don't even care
Yo, me doh take that from no one, give thanks I'm still
here

Wantin' to see I to dead and rot

None ah dem cyar come stab inna the back
Cyar get caught by your wolf pack
Different sort rasta cyar relax, yeah

No other like Jah be wise
And ah Jah ah guide, some cyar recognize
Wicked heart, must put you down
Burning you with words, power and sound, yeah

Full time, Babylon realize

And wicked heart, I must put you down
Burning you, burning you, yeah yeah

I alone, we face they interact
Yeah yeah yeah yeah
Long time they hate we now just ah come trot

made, check it
