Been wanting you, my love I'm so inclined
Why don't you let me keep and care you,
I'll treat you so kind, I've got this feeling
and it happens every time,
oh girl your so fine and I've got to make you mine

Chorus
Please me, with your pleasure
Your my peculiar treasure
Oh baby girl
Please me, with your pleasure
Oh baby girl
Your my peculiar treasure

I've got so much love for you I've got to show
Right here each and everywhere, I know is love to flow
Girl I love you so much that I will never let you go
Hold you in my arms and squeeze you so
I know you need my love...

Chorus
So please me, with your pleasure
Your my peculiar treasure
Oh baby girl
Please me, with your pleasure
Oh baby girl
Your my peculiar treasure

Your like the sun that rises in the morning with the
powers
Oh girl yes my girl your like the blooming flower
and that's for all my son I'll attend to you all the hour
So brave not a coward

Chorus
Come please me, with your pleasure
Your my peculiar treasure
Oh baby girl
Come Please me, with your pleasure
Oh baby girl
Your my peculiar treasure

I'll touch your heart with my word each time you
meditate
Oh girl your so soft and sophisticated
Come and give me your love right now
and don't you keep me waiting
Whoa oh yea ey yea ay ay
