Zion I well
See dem proposin yow
Heathen go down
I always strive
Who's on your side

CHORUS

Always remember be strong in this time
Heathen rage when the righteous climb
never let them get you down, keep yuh mind now
pollute the sabbath you pollute mankind
Remember be strong in this time
Heathen rage when the righteous climb
never let them get you down, keep yuh mind then
pollute you brother you po...

Every man show know that your heart must be clean
Rasta love it when uno juggle righteous
Teach the ghetto youths have self esteme
stop the ghetto youths them from live corrupt
Failing to see us as true human beings
They work have me mared, moving tough
Maintaining an evilous regeim
preventing the ghetto youths from rising up
So come we go bun dem ghetto kings and queens
Heathen a tremble physically rough
mi knoledge and powers Ethiopians dream
Inna emperor Selassie I put all yuh trust
Yes black woman wake up from your dream
inna D fantasy world don't get stuck
Babylon ah go turn it into ah bloody scene
Giddeon start they say dem gun nah go rust
mi tell dem say slavery did more than mean
Who can stop it, the revolution buss
upon the wicked man shoulder never muscle in
Go tell dem say repatriation that is ah must
Hey herbalist me try fi keep the chalis clean
cuz we bless black people wit d herb inna d cup
Good day the royal nation ah touch pon d scene
Go tell babylon say dem fi look but nah touch

CHORUS

Always remember be strong in this time
Heathen rage when the righteous climb
never let them get you down, keep yuh mind now
pollute yuh brother you pollute mankind
Remember be strong in this time
Heathen rage when the righteous climb
never let them get you down, have firm mind now
pollute yuh sister you pollute...

The teachings are for the humble
Reaches on to the pure and the simple
Keep yuh calm when you elude all rumble
Fight against the righteous heart
and then you stumble
Neatly designed and properly placed
are the traps of the wicked
Check how they meditate to disrupt the upright,
deceivng grace
They have no desire for love or taste
Teaching the truth they neglect and forsake
taking it for granted whoes mistake
I say rise and be great, never stop strive
there is no time for race...

CHORUS

Always remember be strong in this time
Heathen rage when the righteous climb
never let them get you down, keep yuh mind now
pollute yuh brother you pollute mankind
Remember be strong in this time
Heathen rage when the righteous climb
