Soul mate! soul mate
Most High had blessed us
Oh! girl child,
you're so precious, you're so precious

Oh why do I love you so much?
Because I can't do without your touch
I-love-my-life,my-life-my-love,it is built upon your trust
Girl,ah never let go,oh-oh-oh,oh-oh-oh
Oh why do I love you so much?
Oh girl,I can't do without your touch
I-love-my-life,my-life-my-love,it is built upon your trust
Girl,ah never let go

Your words are so soothing
Keeps my adrenalin moving
Give me good love,nothing losing
Especially when you're in that mood you're in
So come and let me run my fingers through your hair
Things we do,how it still linger there
Making lovin' in this atmosphere
Sun,moon and stars smile with you dear

That's why I love you so much
Oh girl,I can't do without your touch
I-love-my-life,my-love-my-life,it is built upon your trust
Girl,will never let go,o-o-o,o
That's why I love you so much
Oh girl,I can't do without your touch
I-love-my-life,my-love-my-life,it is built upon your trust
Girl,I never let go

Your eyes,your lips,your beautiful face
Your height,your hip,and such sexy shape
With your mind so full with love and grace
Your hands and feet and character so great
Got to give you lovin' 'cause you're here for me so
Even in my worse time you're there,things flow
Show me that you're concerned 'bout life even though
Some people say things what they don't know

That's why I love you so much

Oh girl,I can't do without your touch
I-love-my-life,my-life-my-love,it is built upon your trust
Girl,I never let go-o
That's why I love you so much
Oh girl,I can't do without your touch
I-love-my-life,my-life-my-love,it is built upon your trust
Girl, I never let go

Good things you know about me
That's why you never doubt me
So put your loving arms around me
And make your lovin' surround me
Girl,love is the only way
Living too long for us to throw it away
Give you love,you don't know what to say
Well let me tell yuh,we gonna be like this for many
more years,oh-yay

Oh why do I love you so much?
Oh girl,I can't do without your touch
My-love-my-life,my-love-my-life,it is built upon your
trust
Girl,I love you so muuuuch,yeah
That's why I love you so much
Oh girl,I can't do without your touch
I-love-my-life,my-life-my-love,it is built upon your trust
Girl,I never let go

Your words are so soothing
Keeps my adrenalin moving
You give me good love,nothing losing
Especially when you're in that mood you're in
So come and let me run my fingers through your hair
Things we do,how it still linger there
Making good lovin' in this precious atmosphere
Sun,moon and stars smile with you dear

That's why I love you so much
Oh girl,I can't do without your touch
My-love-my-life,my-life-my-love,it is built upon your
trust
Girl,I love you so muuuuch !
Oh why do I love you so much?
Oh girl, I can't do without your touch
Oh,my-love-my-life,my-life-my-love,you too sweet.....
