Rastafari is the almighty I
Ever livin ever faithful ever sure
And he shall make foward the lamb
and the lamb shall overcome them
because he is King of kings, Lord of lords
the Conquerin Lion of the tribe of Judah
Yea he is the only king of the sabbath
and the sabbath is only the future
Eya Oy

And now the people shall know
that with Rastafari they shall no longer suffer
Love is all the earth shall replenish for the better
And now the children shall behold
the glory and goodness Rastafai has to offer
Seek ye first the kingdom of Selassi I
and all will be added ya
