Lead my cause Jah Rastafari
Strive our strive mi tell yuh fight against those
Who fight against I
Tek a bashin' and battle to stand for thy name
Oh, well then

They act as if they don't got no sense
And I know them unda false pretense
Talk as if dem a yuh closest friends
When dem a yuh enemy and a try bridge fah rent

Slanderin' and bad influence
Scandal yuh name when dem caan get yuh strength
Hypocrite and traitor di whole a dem
A put pon dat pon dat a badmind
Full up dem heart and dem a gwaan innocent

Rastafari is my shield of defense
So when tings bruk lose seh yuh bigga judgement
Buss da halls of vampires dem send
To suck da blood and dem children

Burn up di wicked and trod a Mt. Zion
Red yuh nah ready and mi tuff like iron
Burn up di wicked and trod a Mt. Zion
Babylon, yuh riches caan stray mi lion

Inna mi turban and robe
Rastafari know mi ready fi di road
Sizzla Kalonji dash wey di burden alone
Come clean come good, mi seh come and yuh purge

Oh, gimme more nuttin' less
Lead da people wid righteousness, yo
Sizzla Kalonji bless
Di voice of Rastafari break da seed dat's in da forest

Know and share don't you forget
