Intro:

Well I say bless thy people
Save thine inheritance you know
Feed them and lift them up also
Well as it go you check the flow
No slow ey

CHORUS:

True heart will show love
True heart will make us whole
wanting to see him oh as it was again
Make sure you show love
To see you through it surely does
They wonder where you've been
Oh Zion where
True heart will show love
True heart will make us whole
wanting to see him oh as it was oh yes
Make sure you show love
To see you through it surely does
They wonder where you've been
Oh Zion where

You check fi this

This a no rapper from forward, yo
You lovin I, make sure you love my words
Righteousness let it be heard
Rather than you keep going around the curve ey
A true heart will never be disturb, be clean
and you know where and when to serve
Between the mist there are always those
Accompanied with the thought to destruct as your goal
They seeth not the glory life endows
So Jah Jah lift them up also aye

CHORUS:

True heart will show love
True heart will make us whole
wanting to see him oh as it was again
Make sure you show love
To see you through it surely does
They wonder where you've been

Oh Zion where
Again true heart will show love
True heart will make us whole
wanting to see him oh as it was oh yea
Make sure you show love
To see you through it surely does
They all wonder where you've been
Oh Zion where
Aye

I tell you to be good inside
and always Wear the high polent of life
Even when you're up against the wars of the scribes
Others look to you for strength, so things afi wise
Ow Emperor Selassie I, I call
Only for them to know sey that is all
Nowhere can you go without the portion
Our day will come, so what\?
Just take you up along
I say, we all got to live in love
Today you make it right, much better tomorrow
Remember Sizzla did done tell you so
Keep your heart clean
And your voice will echo

CHORUS:

True heart will show love
True heart will make us whole
wanting to see him oh as it was again
Make sure you show love
To see you through it surely does
They wonder where you've been
Oh Zion where
True heart will show love
I say true heart will make us whole
wanting to see him oh as it was
Make sure you show love
To see you through it surely does
They all wonder where you've been
Oh Zion where
Aye
