Hail to the High owner of Iration and his Imperial
Majesty
Emperor Haile Selassie I
I'm from a place where there's only love
Where the sun comes home every morning
Be upright black people and love Jah works
In praises I and I chant with the rising
Step away, get away, from the sinking sand
Never you disobey, yow, Selassie I the conquering lion
The again

Then a wah dat the whole a them a gwaab with ?
Who that the bugger them go par with ?
Them go bow and go stoop themselves low
Rasta man a trod it up, it's like them never know.
