#### Politically Incorrect

##### ( Verse 1 )

A quarter and a penny on the table,  
face up, starring at me,  
I wondered what they really thought  
about the person in the news made to  
apologize for speaking their mind,  
just like George and Abe had taught.

##### ( Chorus )

You're Politically Incorrect if you  
offend someone today,  
even if you tell the truth in what you're  
trying to say.  
Your freedom of expression is fading  
away,  
The Politically Incorrect need to take  
a stand today.

##### ( Verse 2 )

"In God We Trust" is written on our  
coins,  
how long it will be there, you can  
guess as well as I can.  
Some whinny group of lost souls will  
convince a politician that the values  
of our country don't fit into their plans.

##### ( Chorus )

##### ( Bridge )

I don't need society to hand me a  
phony script,  
The truth can't be rewritten for  
someone's benefit.

##### ( Chorus )

Your freedom of expression is fading  
away.

The Politically Incorrect need to take  
a stand today.
