Baby, don't understand, why we can't just hold on to
each other's hands?

This time might be the last if fear unless

I make it all too clear I need you so

Take these broken wings and learn to fly again, learn
to live so free

When we hear the voices sing, the book of love will
open up and let us in

Take these broken wings

Baby, I think tonight we can take what was wrong and
make it right

Baby, it's all I know that you're half of the flesh

And blood that makes me whole, I need you so.

So take these broken wings and learn to fly again,
learn to live so free

When we hear the voices sing, the book of love will
open up and let us in

Take these broken wings

You got to learn to fly, learn to live and love so free

When we hear the voices sing

The book of love will open up for us and let us in, let us
in

Baby, it's all I know that you're half of the flesh

And blood that makes me whole, yeah, yeah, yeah,

yeah, yeah

So take these broken wings and learn to fly again,
learn to live so free

And when we hear the voices sing

The book of love will open up and let us in

Take these broken wings

You got to learn to fly, learn to live and love so free

When we hear the voices sing

The book of love will open up for us and let us in
