Cruised into a bar on the shore, her picture graced to  
grime on the door  
She a long lost love at first bite, baby, maybe you're  
wrong  
But you know it's all right, that's right

Backstage we're having the time of our lives, until  
somebody say  
Forgive me if I seem out of line, then she whipped out  
her gun  
Tried to blow me away

Dude look like a lady, dude look like a lady  
Dude look like a lady, dude look like a lady

So never judge a book by its cover  
Or who you're going to love by your lover  
Love put me wise to her love in disguise  
She had the body of a Venus, Lord imagine my  
surprise

Dude look like a lady, dude look like a lady  
Dude look like a lady, dude look like a lady

What a funky lady! She like it like it like it like that he  
was a lady

Baby let me follow you down, let me take a peek dear  
Baby let me follow you down, do me, do me, do me all  
night  
Baby let me follow you down, turn the other cheek dear  
Baby let me follow you down, do me, do me, do me,  
sue me
