I am dreaming very much
Of our tomorrow
And I am thinking very
Much of our today.
And I dont have no time
To think of sorrow,
For I love you as
Ive always done before

I know everybody wants
To know our story
And I know that I dont see, I dont care
And I know people
Who wanna feel theyre sorry,
So I play them all.
Ive moved this theme to play.

And I love you more and more,
Like Ive always done before
And I know that life has been
So good to me oh!

And I love you and Im sure
For its really very pure
And I know that you will
Never fail with me

(Solo)

And I dont have no time
To think of sorrow,
For I love you like
Ive always done before

And I love you more and more,
Like Ive always done before
And I know that life has been
So good to me oh!

And I love you and Im sure
For its really very pure

And I know that you will
Never fail with me
