On a summer day
(On a summer day)
I met you
Summer Holliday
(Summer Holliday)
One of few

All my life
I wondered all lonely
You were so dumb just like me
For when we met it was only
Meant to be just for me
(Just for me, Uh, Uh, Uh, Uh
You were just meant for me)

By the river side
(By the riverside)
By a shady tree
You just laughed and cried
(You just laughed and cried)
Loving me

Now through life
I'll never be lonely
Life has been so good to me
For when we met it was only
Meant to be just for me
(Just for me, Uh, Uh, Uh, Uh
You were just meant for me)

On a summer day
(On a summer day)
I met you
Summer Holliday
(Summer Holliday)
One of few

All my life
I wonder all lonely
You were so dumb just like me
For when we met it was only

Meant to be just for me
(Just for me, Uh, Uh, Uh, Uh
You were just meant for me)
