All the best memories,
All the gifts life can bring,
Like what it feels to be in love
Like what it feels to be in lo-o-o-o-ooove

Picturing you and me,
Hopping aboard to a tropic retreat.
Baby that sounds good to me, yeah,
Baby that sounds good to me, yeah.

What good is this bliss if it doesn't exist?
Who knows?
But every now and then I get

(Chorus)
Stuck inside,
Stuck inside my head,
Hoping worlds collide,
Like summer's sweetest blend.
Daydreaming,
Ain't nothing but daydreaming.

Simple peace in your eyes,
A bird in open skies, yeah,
Forever could this feeling stay?
And once again I slip away.

What good is this bliss if it doesn't exist?
Who knows?
But every now and then I get

(Repeat Chorus)

(Bridge)
Every now and then I get stuck inside my head with
you,
Every now and then I get stuck inside my head with
you,
Every now and then I get stuck inside my head with
you,
Every now and then I get stuck, oh

Dreaming of you, nothing but you.

(Repeat Chorus)

Ain't nothing but,
Ain't nothing but daydreaming.
I'm in my head like oooh, yeah.
