I'll never understand some things in life,  
Why loyal souls are lost under heaven's watchful  
eye.  
I got the who, what, where, and when, but I wanna know  
why  
Such a shining light can vanish out of sight.

I'll never understand why you cried,  
And you just couldn't see the truth, oh how I tried,  
To make you see the girl standing by my side,  
And I'd do anything to make you realize.

(Chorus)

Take you round the world on a butterfly,  
Paint your name across the sky,  
Color the ocean gold into a velvet tide,  
Cause I'd do anything to make you change your  
mind.

And I'll never understand the loneliness held  
within,  
I was always there, that's how it's always been.  
You opened up to me and I let you in.  
If that was all it took, I'd do it over and over again.

(Repeat Chorus)

(Bridge)

Tell me what I gotta do,  
I said anything, it's true!  
Ohhhh

Take you round the world on a butterfly,  
Paint your name across the sky,  
Color the ocean gold into a velvet tide,  
Cause I'd do anything,  
I'd do anything, I'd do anything,  
I'd do anything, anything to make you change your  
mind.
