Running â€˜round in a glass ball,
I can see everything, I can see it all.
And every open door is either too small,
Or it leads me in to hit a wall,
And oh my head is spinning,
Is anybody listening?

Living light just to get by,
And Lord knows Iâ€™m trying to live right.
Following my heart and feeling outta my mind
Ainâ€™t no easy way to keep a high.
And though my head is spinning,
I know somebodyâ€™s listeningâ€¦

(Chorus)

You give me hope for the future, ooh ooh ooh,
You are the one,
And when the odds turn against me,
To you, Iâ€™ve already won.
You are my light in the darkness, ooh ooh ooh,
You are the one,
You show me my place in the sun.

You've always been the heart in me,
Youâ€™ve always been part of the dream.
And to see it any differently,
Well, all the triumphs wouldnâ€™t mean a thing.
And when my head is spinning,
Youâ€™re always there to listen.

(Repeat Chorus)
