Let me think this over,
I can't wonder where you've been.
You've been wandering from me,
and I can't understand.
And I can't deny your face,
so I escape your gaze;
do my eyes tell you everything you wanted to know?
Do they tell you?

I can't let you go again,
no I won't let you go.
You're in the corners of mind,
telling me to hold on to you tight.
Everything in me wants nobody else but you.
My heart has grown tired,
and it wants to rest with you.

You're saying I'm too good for this,
and I wouldn't disagree.
I hate to admit it, but you've grown on me.
After all the time spent away,
would it be so hard for you to say
that you would just stay?

Wandering heart,
I can't forget you.
Have you grown tired?
I will rest with you.
