\* originally on Brandy's "Have You Ever" 12"

[Rodney]

Yo I don't think they're ready for this one  
Another Darkchild remix  
Brandy, RJ, Big Pun, Fat Joe, Terror Squad  
Come on

[Big Pun]

Hear the truth shorty  
With my fruit punch and my forty  
Sweeter than candy, Brandy's the only one for me  
You get it up  
It's only the middle of the week  
But when you called Joe and Pun  
You kept it real with the streets  
That's the true honor  
Not the jewels or Garbana  
Any fool can't accomplish just a few hundred dollars  
That's paper thin, I got my mamma out the apron  
I'm loyal to her from eight to ten  
Make way for the twin

[Fat Joe](Brandy)

Who the twins that be making it hot  
(Say what?)  
Number one on you Billboard charts  
Showing love to them thugs who be holding the blocks  
And we be tearing up the club like the Three Six Mob  
Joey Crack baby, ain't no time to react lazy  
Brandy gave us a call and our track's gravy  
Perhaps maybe we can ball with this  
And all get rich, I ain't only talking ish!

[Brandy]

Some people say that I am not the same girl  
They think that I am in my own world  
What makes them think that I have changed, yeah  
A little dough can not erase my problems  
Me, like you, I have to try and solve them  
Yes everything is quite the same

1 - [Brandy]  
Sitting on top the world  
Sitting on top, no that's not so  
Everybody changes, let it go  
Sitting on top the world  
I'm just one girl trying to live my life  
But someone telling me what I like

[Brandy]  
Back in the days...when I was young  
I'm not a kid anymore  
But some days I sit and wish I was a kid again

[Brandy]  
I wonder why it's often said that my life's  
A fairy tale and everything is so right  
I wish that you could know the truth, yeah  
My life is real so please don't get it twisted  
Problems the same and got to be dealt with  
These are the things I wish you knew, ooh yeah

Repeat 1

[Fat Joe]  
Ever since you wanted to be down  
I wanted to put you on  
But you ain't come around  
Had no time for the don  
Sixteen on the block  
The latest phenomenon  
Number one with a bullet  
And your own sitcom  
Brandy hand me one of the platinum hits  
People talk but they don't know the half of it  
Well the fact this is, we're in the worst business  
And anything you have you deserve it miss

[Big Pun]  
Encima del mundo  
Follow the squad we never segundo  
Tell el mundo, telling vatos of every remover  
Word chula we packing men like Lollapalooza  
From here to Havana, Cuba then Puerto Rico en scooter  
Getting mula  
Sitting on top of the world like A Buddha  
Who the first Latin to go platinum without the basura  
Big Pun the caputera with cheddar  
Never settle for second best cause I'm primera, which  
forever

Repeat 1 till end
