(Talking)

It's a good day/ see you got to start today as a new
day/
live like today is your last day/
and just live one day at a time/
,I'm a new man!

Hook

I'm wakin up/
I'm prayin up/ I found the way/
I'm on my way/ a new day (aye!)/
a new day (aye!)/ a new day (aye!)/
a new day (aye!)...
I see the light/
I see the Son/
I prayed last night that today would come/
a new day (aye!)/ a new day (aye!)/
a new day (aye!)/ a new day (aye!),

Ver. 1

Tomorrow's not promised/
I pray today to put my armor on, cause to be honest/
I'm battling a couple past addictions/
tempting me back into a blasphemous condition/
luckily for me, the master was in the kitchen/
cooking me some soul food/
ate the plate he gave me/
told me it would save me/ started off just a baby in the
faith,
walking daily in his grace/
couldn't pay me to be fake/
I'm officially now, grown/
eat the meat of the word right to the bone/
thank the Lord just for blessing my life/
just bought a home/
yeah, that's for my kids and my wife/
it's been a long time coming, for the victory I'm
running/
coming from where I'm from, I'm just happy that I'm
here/
just to wake up in the morning and know that the Lord

is near/
the sword is the spear that I javel to your ear/
you can picture me rolling the narrow road, switching
gears/
no fear!

(Hook)

Ver. 2

The Lord is my desire/
rising with the Messiah to the morning light/
final is the hour/
baptized in the Spirit, I can feel it like a shower/
yawning/
awoke to the dawn with my palms uplifted and I'm
praising/
Gods grace is amazing/ yesterday's weight lifted up
off my brain/
cause today's a new day and I win/
I submit my whole soul to His power that's at work
within/
I attack, battling sin/
boxing with a shadow/
but walking on water, keep your paddle/
I'm strolling upstream with the Elohim/
one with the Father/ the Christ/
the Holy Spirit is guiding my life/
over tracks, get to gliding with a mic/
I'm providing you the light/
hit the switch if you would like to be free/
where yesterday is past, it is thrown into the sea/
a new day is born, what ever His will, will be...

(Hook)

Ver.3

Every day is Sunday/
resurrection Monday, Tuesday,
Wednesday, Thursday, Friday/ resurrection Saturday/
every day we rise with the Lord/
alive in Him forevermore/
all saints, one accord/
no gun, I got a sword/ got a helmet like fitted on/
breast plate, shield/
plant seeds in the field/
tossing nets out the boat/
grab a demon by the throat/
let him know I'm not a joke/
yes I'm hoping for tomorrow/
but His blessing is today/
folk boasting bout' tomorrow/

but the lesson's in today/
that's the life that was laid/
the life that he gave/
that's the Son is the Christ of the author of the day/
that's a lot for some to swallow, but hey/
I'm only talking bout' change/
cause those that do shall remain in the one that was
slain, with the Father when I pray/
next to him on the throne, now it's on, all day!
