[Intro:]

Yeah the mechanikz krypno and k.l.k,
A beezy what would you for a klondike?
You konw what You Do...

[Verse 1: K.I.K]

Climb on the tippy toe
Oh bitch here we go
This is how you suppose to slap
This shit on the stereo
I go up and down it's like a bear
I grrr, I roar that's how we get it from the store
She like the candy that drippl
The freestyle king nigga I'm the pimp
You should know how I do
All I want that klondike, psche
She can touch it tonite
We up on the motorbike roaring it up
She like feeling the remy and then she likin' my cup
Am like ma wus up what would you do for the klondike?
She like what is that suppose to mean?

[Hook:]

Klondike you know how I do
Touchin she drippin this he we suppose
A my klondike, what would you do for my klondike bar?
(scream my name?)
My klondike, my klondike what would you do for my
klondike bar?
My klondike, my klondike what would you do for my
klondike bar?

[Verse 2: Krypno]

Now baby girl I'm the white polar bear
G'd out with the coke bottle how you like that?
I know you like to see me on my logo
Klondike bar I know how you go
Know you want me and I want you to girl
Klondike bars already melted in yo mouth
Yea I know how you like me
Klondike bars already melted in yo mouth

But you want me with the klondike I want you
Call me the new edition of klondike bar
Black on black baby brown on brown
I wanna meet you up so I can pour you down
With more and more of what you want baby
I know you krypton he already here baby
Call me the next igloo baby
Am already cold cause I know you want me baby

[Hook]

[Verse 3: K.I.K]
A beezy just touch
We ain't tryna make no love
Jus, what would you do for the klondike (klondike bar)
I'm a hoodstar where ever I go
A lil beezy you know I get my doe
I got flows fresh giribud's
Check me out so fresh with me clothes (ice man)
Drop top doors when come out me scrape
You can do this shhh record it on tape
Nice bapes they clear the mechanikz
Niggas there here

[Hook]
