What's wrong baby?

{*whispering like "The 6th Sense"*

I see gay people...

[Tha Realest]

Death Row shit; Assassin on the track

I be Tha Realest - fuck Hollywood! (Fuck 'em)

Hahaha..

[Verse 1]

I use to love to watch the motherfuckin Fresh Prince

and then I found out that Will Smith was stuck on dick

Hollywood don't mean a motherfuckin thing to me

Cause at the same time Jada Pinkett sprung on pussy

While MC Lyte, and the motherfuckin Brat's a dyke

Don't get me wrong, cause they're tuned to what these
niggaz all like

I ain't no hater to my nation I'm just keepin it true

Cause these the same peoples that our kids look up to

And I use to love watchin Magic back in the day

and then I found out this nigga fell off with AIDS

I'm like damn what the fuck Magic?How the fuck Magic?

Somebody been in his ass, so let this nigga have it

And bitches come a dime a dozen

Why these niggaz frontin like they was bitches, when they really wasn't

Cause in these movies they got hardcore reps

Just like Omar Epps, but be fags and quiet as kept

[Chorus] {*singer ad-libs*

I ain't the type to try and hold no grudge

But shit nigga fuck Hollywood this shit ain't what I thought it was

Half the peeps you see on TV are fags

And everybody, in the industry be kissin they ass, c'mon

I ain't the type to try and hold no grudge

But shit nigga fuck Hollywood this shit ain't what I thought it was

Half the peeps you see on TV are fags

And everybody, in the industry be kissin they ass

[Verse 2]

Makaveli spoke the real shit, that's why they all bitch

And Johnny Gill sucked Sugar Ray Leonard's dick

I'm hella-sent cause motherfuckers never thought of this

Fuck Hollywood nigga - that's from Tha Realest

I give a fuck about who feelings I hurt

This comes along with bein on Death Row; nigga so I'm puttin in work

And I think the motherfukin world should know

that their rap stars and movie stars ain't nuttin but hoes

And Eminem best to close his trap; cause I predict

he'll be the first white motherfucker murdered in rap

Is it a scandal? I know all you heard about Tevin
Campbell

He turned out, a punk bitch, to some it's hard to handle

I get extreme at times, but these are things that you
should know

I know you niggaz don't think I forgot about that bitch
named Sisqo

Who's the real hoe? Switch-hittin punk-ass bitch

I'm dedicated to this gangsta shit; FUCK HOLLYWOOD!

Chorus

[Verse 3]

Now would you believe me, if I told you what I heard

It's hard to perceive me, when they critique my every
word

Just got the news about the couple court'n

Whitney Houston, Bobby Brown just been found snortin

Killin them softly, here's some shit that you might not
like

Eddie Murphy's creepin late night, pickin up
transvestites

I'm gettin paid off big rhymes that I say, and by the way

I heard that nigga Alize, loves to go both ways

And even Janet, DAMMIT girl you too damn fine

to be gettin licked - let a real G, fuck from behind

I gives a fuck what they all say

and Halle Berry how you gonna fuck wit that faggot
ass, Eric Benet?

See Hollywood ain't what it used to be

Cause the things that I see, ain't what were told to me

It's so scandalous deep inside I wish the lifestyle was
all hood

but it ain't, so until then nigga scream fuck Hollywood!

Chorus

[*singer*]

All you cats y'all act like bitches

Knowin y'all be straight switch hittin

Keep it real - you niggaz ain't gangstas at all

I - I said all you cats y'all act like bitches

Knowin y'all be straight switch hittin

Keep it real - you niggaz ain't gangstas at all

You niggaz ain't gangstas at all

[Tha Realest]

It ain't, man

It ain't what your niggaz think it is

And I ain't even hatin on this shit

I'm just tellin you what I SEEN!It's real!

Grab your pumps and put the punks in the trunk

Grab your pumps and put the punks in the trunk.. hey!

Grab your pumps and put the punks in the trunk

Grab your pumps and put the punks in the trunk, on
Westside!

I never knew it'd be like this in Hollywood

Got me runnin in these streets, sippin on high speed

Assassin on the motherfuckin track

and we out this bitch!
