[Verse One] Sometimes I can't stand you Some things from your past is skandelousi heard all the lies I can't handle it I witnessed executions that you've put money on And you still got the nerve to play that innocent role I was there when the drug deals got exchanged And your homeboyz came through and let it rain Ooked in your eyez and I knew it was a setup But you didnt say a word You still let 'em bust Im givin' up on this friendship Your past is present I been knowin' you since ten eleven I'm movin past ya revin' I knew ya ass when ya ass was smellinSso fuck all them stories ya tellin You can say that you a boss But shit... I was with you in jail And you took an oath never to tell Nigga I know too much! [Verse Two] How can you even fix your face to release those lies Your ass should die I'll stick a ciggarette in your eye Release the smoke And then all the bullets'll fly Ain't nobody from your syde that come as wicked as I I never knew I should've let your ass inside my circle My words'll hurt you Whip you till your ass turn purple And dissapear like the ghost man Flyin up the coast man Get rid of the gun And all that extra ass contraband Storm like quick sand Grip em like pits man Fuck the love I tell it like it is man I'm like a steel toed boot inside this hip-hop battlefield I fuck with the don Cause them niggaz know a niggaz real Probly be killed but to feel like I feel is to be real Aand every nigga feel like I feel Ain't no kiss-ass nigga I dont ask 4 shit And imma still do the same whether im poor or rich So to every mothafuka that I helped get a deal and gave a few thousand to help pay a bill Imma show you mothafukaz just how real is real Ill give the word and watch how many bodies are killed Exacutioner, cut 'em quick and fast like a guillatine Taught by the best on how to exercise on triple beams As cold as me, I dont know too many that can flow like me Thugged-out, but ya bitch'll want me like im jodeci Fo' sho its me a south-ass nigga You gone notice me, stay drunk and fucked up nigga Like im post to be Patrollin me Leanin to the syde like an older G Keep ya eyez on me mafuka Cause I know to much!
