Yeah, I got sway leather seats with a pollen hair's a  
match  
Louie V's across my waist and my pocket couple stacks  
I'm just rollin rollin rollin in the hood where it's hot  
Got my arm outside the window with my platinum Rolex  
watch  
Hit the lot, push the button, have it parked  
I be , so exclusive, chuck and geoses, got a new bitch  
I'll be gaining Charlie Sheen  
Do my thang, that's all me, so what you see if  
guaranteed  
If you don't want it you can leave  
, that fully loaded benz with that presidential ,  
Exterior that matches my 22 inch rims  
Come on in, let's begin, will the , take a spin  
Even if it ends, I'll be back at it again  
I'ma , cruising in that black , looking like a hooligan  
there's money to be made  
Getting paid is my purpose,  
spitting verses is your , smoking purple in the how what  
you came for.

Thanks to Andrei
