Crazy how it feels tonight  
Crazy how you make it all alright love  
You crush me with the things you do  
I do for you anything  
Sitting, smoking, feeling high  
In this moment it feels so right  
Lovely lady  
I am at your feet  
God I want you so badly  
I wonder this  
Could tomorrow be  
So wondrous as you there sleeping  
Let's go drive 'til morning comes  
Watch the sunrise  
To fill our souls up  
Drink some wine 'til we get drunk  
It's crazy I'm thinking  
Just knowing that the world is round  
Here I'm dancing on the ground  
Am I right side up or upside down  
Is this real or am I dreaming

Lovely Lady

Let me drink you please

I won't spill a drop, I promise you

Lying under this spell you cast on me

Each moment

The more I love you

Crush me

Come on

It's crazy I'm thinking

Just knowing that the world is round

Here I'm dancing on the ground

Am I right side up or upside down

Is it real or am I dreaming

Lovely lady I will treat you sweetly

Adore You

I mean

You crush me

It's times like these

When my faith I feel

And I know

How I love you

Come on

Lady

It's crazy I'm thinking

Just as long as you're around

And here I'll be dancing on the ground

Am I right side up or upside down

To each other we'll be facing

By love we'll beat back the pain we've found

You know

I mean to tell you all the things I've been thinking deep  
inside

My friend

With each moment the more I love you

Crush me

Come on

Lady

So much you have given love

That I would give you back

Again and again  
Meaning I'll hold you  
And please  
Let me always
