Hey my friend

It seems your eyes are troubled

Care to share your timewith me

Would you say you're feeling low and so

A good idea would be to get it off your mind

See, you and me

Have a better time than mostcan dream

Have it better than the rest

So can pull on through

Whatevertears at us

Whatever holds us down

And if nothing can be done

We'llmake the best of what's around

Turns out not where but who you're with

That really matters

And hurts not much when you're around

And ifyou hold on tight

To what you think is your thing

You may find you'remissing all the rest

Well she run up into the light surprised

Her arms are open

Her mind's eye is  
Seeing things from a  
Better side than most can dream  
On a clearer road  
I feel  
Oh you could say she's safe  
Whatever tears at her  
Whatever holds her down  
And if nothing can be done  
She'll make the best of what's around  
Turns out not where but what you think  
That really matters  
We'll make the best of what's around
