Fire

The sun is well asleep

Moon is high above

Fire grows from the east

How is this

Hate so deep

Lead us all so blindly killing killing

Fools we are

If hate's the gate to peace

This is the last stop

For raining tears

War

The only way to peace

I don't fall for that

Raining tears

You're righteous, so righteous

You're always so right

Go ahead and dream

Go ahead believe that you are the chosen one

Raining tears

Oh no

Gracious even God

Bloodied the cross

Your sins are washed enough

Mother's cry

\ "Is hate so deep

Must a baby's bones

This hungry fire feed?\"

As smoke clouds roll in

The symphony of death

This is the last stop

Scream

Right is wrong now

Shut up you big lie

This black and white lie

You comb your hair to hide

Your lying eyes

You're righteous, so righteous

You're always so right

But why your lie

Go ahead and dream

Go ahead believe that you are the chosen one

This is the last stop

Here there's more than showing up

Hope that we can break it down

It's not so black and white

You're righteous

You're righteous

You're righteous

You're always so right

There you are nailing a good tree

Then say forgive me, forgive me

Why

Raining tears

This is the last stop

Here there is more than is showing up

Hope that we can break it down
It's not so black and white
