I've been dreaming about white trees  
ever since I was a child.  
I've been dreaming about white trees  
ever since I saw you smile.  
Oh, I saw you smile.

I've been searching for that letter,  
I was seventeen or so.  
nothing else can make it better,  
ever since you let me know.  
Oh, please let me know.

Oh, it's like a dream,  
nothing's like it seems,  
and down below  
I see us...  
Oh, it's like a dream,  
nothing's like it seems,  
and down below  
I see us go.  
Please let me know.

I've been dreaming about white trees -  
purple branches in the snow.  
I've been dreaming about white trees  
ever since you let me know.  
Oh, please let me know.

Oh, it's like a dream,  
nothing's like it seems,  
and down below  
I see us...  
Oh, it's like a dream,  
nothing's like it seems,  
and down below...

Oh, it's like a dream,  
nothing's like it seems,  
and down below  
I see us...  
Oh, It's like a dream,

nothing's like it seems,  
and down below  
I see us go.  
Please let me know.

All this time,  
people go around just wasting my time, yeah.
