I missed the bus, I missed the bus again  
I missed the bus, I missed the bus again

Now why'd you miss the bus? I dunno  
We're you up late last night? I guess so  
And were you watching TV? What kinda of TV,  
magnumbox  
Well, that's no excuse, for what? For missing the bus

I missed the bus again, I missed the bus  
I missed the bus again

My boss said to me  
"You know you're gonna rot in your own toenail pus  
Why do you always miss the bus?"

I missed the bus again, I missed the bus  
I missed the bus again

So there I am watching the bus leave me  
I can't believe I missed the bus today  
I have a bus pass that I have not used yet  
Because I always miss the bus

I missed the bus again, I missed the bus  
I missed the bus again

Now why'd you miss the bus? I dunno  
We're you up late last night? I guess so  
And were you watching TV? Bet you're watching three's  
company  
'Cause I love three's company, I love three's company  
I love three's company but that's no excuse for missing  
the bus

I missed the bus again, I missed the bus  
I missed the bus again

My boss said to me  
"You know you're gonna rot in your own toenail pus  
Why do you always miss the bus?"

I missed the buss and I had no excuse  
I missed the buss and there was nothing I could do  
I missed the bus, there it goes, driving away  
I missed the bus and there was nothing I could say  
I missed the buss, I missed the bus again  
I missed the bus, oh yeah
