And I love you, yes I do, 'cause I know that you love me
too

And I love you , yes I do, gonna spend all my money on
you

And everyday when I say that I'm not gonna take
anymore

It's okay, don't go away, I'll be back when you're
closing the door

I need some more to restore all the feelings that I get
from you

And I want more, give me more, all I want is a barrel of
you

And I love you, yes I do, 'cause I know that you love me
too

And I love you, yes I do, gonna spend all my money on
you

And I don't care when they stare at the way that I'm
always with you

We're a pair, it's not fair when they say we're a special
crew

And I love you, yes I do, 'cause I know that you love me
too

And I love you, yes I do, gonna spend all my money on
you

And everyday when I say that I'm not gonna take
anymore

It's okay, don't go away, I'll be back when you're
closing the door

And I love you, yes I do, 'cause I know that you love me
too
