My hands are shaking and I'm sadly learning  
The truth behind your innocent disguise  
You never thought I knew that you had been untrue  
But I once saw the devil somewhere in your eyes

And now you got the nerve to ask me where I'm going  
And I don't believe I'd tell you if I knew  
I'll be gone when the sun comes up tomorrow  
I believe it's time to say good-bye to you  
And it sure smells like snow in Bossier City  
But there ain't no weather quite as cold as you  
I'd sooner stand in Mother Nature's anger  
Than to spend another lonely night with you

I'm talking but I'm feeling you're not listening  
My words they just fall heavy on the floor  
Yes, it's true that you knew I would not stay forever  
And you won't see me crying when I walk out your door

And it sure smells like snow in Bossier City  
But there ain't no weather as cold as you  
I'd sooner stand in Mother Nature's anger (fade)
