They judge a boy by his friends  
And all of mine are trash  
They say you find your own level  
Well I'm a snake in the grass  
But I can't help the things I do  
I've always been attracted to

Cheap thrills  
Don't you know I like  
Cheap thrills  
Night after night  
Cheap thrills  
Well if you ain't supposed to do it I will

I got a low reputation  
And a bad attitude  
Cuz all I want to do is something  
That I ain't supposed to do  
Well I can't change the things I love  
I guess I'm just a victim of

Cheap thrills  
Don't you know I like  
Cheap thrills  
Night after night  
Cheap thrills  
Well if you ain't supposed to do it, I will
