I'll take you up,
Above ground.
Over fill,
Overfire.

Beauty does control,
Tie me up.
Every each inch of you-
Sensation.
Stretches me out,
Of my head.
Out of my head,
Into his.

To taste and smell myself.

I'll take you up,
Above ground.
Over feel,
Overfire.

Beyond every time,
More then I.
Over fill,
Overfire.

My flesh wrapped arond me,
My weight on my limbs,
My teeth, My hands, My heat, My breath
Down my throat.
My flesh wrapped around me,
My weight on my limbs,
My teeth, My hands, My heat, My breath
My flesh wrapped around me,
My teeth, My hands, My heat, My breath
Down my throat.

I'll take you up,
Above ground.
Over fill,
Overfire.

Out of my head,
Into yours.

To taste and smell myself.
To taste and smell myself.

Over fill,
Over fire.
