Close your eyes  
And let me die  
Just let me die  
By your side

Dry your eyes  
And let me slide  
Just let me die  
By your side

When our time has come  
We all die alone  
No comfort or salvation  
We all die alone  
All your pious intentions  
Will not save your mortal soul  
When we're called back to the earth  
We all die alone

Close your eyes  
And let me die  
Just let me die  
By your side

Dry your eyes  
And let me slide  
Just let me die  
By your side

When our time has come  
We all die alone  
No comfort or salvation  
We all die alone  
All your pious intentions  
Will not save your mortal soul  
When we're called back to the earth  
We all die alone

Death is calling...  
Death is calling...
