I might be wrong but I think

Tonight I'm giving in  
Think it's time for us to

Have another double gin

We get the next round at 3 am

Out while you can  
Cause when your eyes hit, they hit me hard  
Swore it wouldn't happen but it's  
Right about to start

So keep the drinks a coming  
Just let the records spin  
Tonight we got each other  
And a round of double gin  
I'm giving on...
