"If you don't mind (if you don't mind),  
we'd like to play somethin (play somethin)"

(Skee-Lo)

Gloria, pick up I know your there stop frontin just pick  
up  
Aight look, look I know I messed up  
But check it out just listen

(Skee-Lo)

I'm leavin you this message spotly cause I miss you  
I didn't mean to diss you but sometimes I slip, ya got  
me  
Stumblin over boulders lookin over my shoulders  
Hopin you're behind me but the sun blinds my vision  
No competiton cause I'm wishin and hopin  
that we could go to Canada, and Ann Lee lopin but  
nopin  
I know you caught playin with your heart  
Shoulda known that I was up to no good from the start  
Little hoodrat who's that guy I saw you walkin with  
Talkin with actin like he's wit ya  
Just like 2 Pac you know "I get around"  
But I didn't mean to get around with your little sister  
Think I was lookin for your friend so let me try again  
To prove myself cause I don't want nobody else  
It's been 7 hours and 16 days since you took your love  
away  
So I just want to say that you should

(Chorus: Skee-Lo)

Come back to me  
Come back to me  
Baby, baby please come back to me  
Come back to me  
Come back to me  
Baby, baby please come back to me

(Skee-Lo)

Oh stacker, cracker I'm the one who's badder  
1 step 2 step 3 step 4

Oh are you sure that you really want to leave me  
I tell you that I love you but I don't think you believe me  
I never meant you any wrong my dear  
Besides yo you can't believe everything you hear  
So just like Stevie "I Wonder" is there water all under  
the bridge  
It's thrillin but lately I've had this strangest feelin like  
Jodeci  
I'm goin through the emotions so baby won't you just  
stay OK!  
I'm tryin to get you offa my mind but you just won't go  
away  
In fact just the other day I was coolin at a party on a  
Friday  
Doin things my way chillin with my cousin Shareef  
A girl walks my way couldn't say get away  
Cause then again it goes against my Islamic believes  
So I'm a big game to get to know the honeys name  
Cause you know that I was lookin for a real good time  
She was fine so I kicked a few lines  
But I couldn't get ya out my mind, get ya out of my  
mind, so

(Chorus: Skee-Lo)

Come back to me  
Come back to me  
Baby, baby please come back to me  
Come back to me  
Come back to me  
Baby, baby please come back to me  
Come back to me  
Come back to me  
Baby, baby please come back to me  
Come back to me  
Come back to me  
Baby, baby please come baaaaaaaaaacckk!

(Skee-Lo)

All the real good ships of lollypops  
Stop for a second and listen to ya heart  
And if ya still say no then I'm gonna have to let you go  
with it  
And wave goodbye and give one last cry  
Cause I'm not goin to take it no more so don't do that  
Can't keep breakin my heart so don't pursue that  
Time has been wasted time has been spent  
Pain is the essence but not my intent  
So gaze through the woods and stop through the  
meadows  
Cause I love Lucy like Bill love Jello  
And if you ever change your mind one day

Then you know where I stay just a block away  
And I wait for you to

(Chorus: Skee-Lo)  
Come back to me  
Come back to me  
Baby, baby please come back to me  
Come back to me  
Come back to me  
Baby, baby please come back to me  
Come back to me  
Come back to me  
Baby, baby please come back to me  
Come back to me  
Come back to me  
Baby, baby please come  
baaaaaaaaaaaaaaaaaaaaaaaaaacccccckk!
