Your words should be solidified and sold as manure!
Your life is like a crippling illness, and for it there=B9s
no cure!
Your attitudes are like disco dancing - silly and
outdated!
Your ego is like a helium balloon that=B9s incredibly
overinflated!
Sometimes I ponder your existence, and hope for the
day that you do =
Something right!
You commit the felony of staying alive! Emitting
stupidity is your =
Life!!!!
Your brain is on the same level as a small bucket of
dirt!
Your intelligence is like a blow to the scrotum - it
fucking hurts!!
The open-mindedness you claim to possess is totally
nonexistent!
But the way you succeed in annoying the world is
constant and =
Persistent!!
