"Don't Change"

Things don't seem like they are on track,
Your friends all tell you its gotta be bad,
They wanna drag you way down where they live,
Don't let them taint you or change you within...
Don't change a thing and I'll always be there for you...
Don't change a thing...
You're the pure water we all wanna drink,
They are the mud that has settled in the creek,
Don't change a thing and I'll always be there for you
Don't change a thing...
The insecure one's are waiting for the fall,
You rise above them all,
Don't change a thing and I'll always be there for you,
Don't change a thing...
