La la la la la la la la la

[ strings ]

Al-di-la means you are far above me very far

Al-di-la as distant as the lovely evening star

Where you walk flowers bloom when you smile the  
gloom turn to sunshine

And my heart's opened wide when you're gone it fades  
inside

And seems to have died

Al-di-la I wonder as I drifted where you were

Al-di-la the fog around me lifted there you were

And the kiss that I gave was the love I have saved for  
the lifetime

Then I knew all of you was completely mine

[ piano ]

And the kiss that I gave was the love I have saved for  
the lifetime

Then I knew all of you was completely mine

[ strings ]

La la la la la la la la la
