I know we've had our ups and downs baby all lovers do
Still you know that you can't go don't tell me that we're
through
You know there's not another love as good as yours
and mine
So baby, get that leavin' off your mind.

I know there's times I make you mad we don't see eye
to eye
Baby, we can work it out let's give it one more try
Just think about the times we love and all the joy we
find
And baby, get that leavin' off your mind.

Baby, get that leavin' off your mind
Ain't no place you're gonna go and find
The good good love I give you you won't find a better
kind
So baby, get that leavin' off your mind.

Yeah baby, get that leavin' off your mind...
